Oboe Audition Requirements

Bachelor of Music, Bachelor of Music Education, Bachelor of Arts, and Non-Music Majors

- Any of the following major scales in eighth notes, both slurred and tongued, ascending and descending in two octaves: C, F, B-flat, E-flat, E. Only one octave will be necessary for Ab, G, and A major.
- A two-octave chromatic scale in sixteenth notes, both slurred and tongued, ascending and descending.
- Two contrasting selections, one lyrical and one technical. Selections must be high school level material equivalent to requirements for All-State auditions in any state and may include entire etudes (such as a study from the Nieman method or an advanced Progressive Melody from Barret), movements of concertos, sonatas, or solos (such as the Alessandro Marcello Concerto).
- Sight-reading of short excerpts from intermediate-level material.
