**Samples:**

Samples are very helpful in determining your level of talent and experience. Prior experience is not necessary; we just like to know the backgrounds of our students. You must submit a writing sample, no matter which camp(s) you’re interested in attending.

1. Writing: Please send two writing samples of your work if you’re interested in screenwriting. This may be a screenplay or it may be work in any other writing form (even a book report or term paper).

2. Filmmaking: If you have video samples for the filmmaking class, it would be good to see them, but they are not critical. Please send one or more filmmaking samples or a link to them.

**Required Letter of Recommendation:**

Please have a teacher or other professional (minister, rabbi, imam, scout leader, etc.) send a letter of recommendation for you. This may be sent by e-mail. Please ask your recommender to make sure they include contact information so I can follow up on the letter.

Tell them I want to know about your personality, your ability to work in a group situation, maturity, ability to adapt to new circumstances, and so on. No one will be accepted without a letter of recommendation.

All material should be sent to Professor Michael Wright.
