If applicable, please list any previous experience in the area of filmmaking (indicate title and length of work created, i.e. “Band Project, 6 minutes”); if no experience, please list any extracurricular activities (clubs, special skills, etc.):

Please describe briefly what you hope to gain from the filmmaking camp:

Samples:

Samples are helpful in determining your level of talent, experience and ambition. Prior experience is not necessary; we just like to know the backgrounds of our students.

Please send at least one video sample with your application as hard copies (DVD) or you may attach a Vimeo or YouTube link here:

If you do not have video samples, please include two (2) samples of writing with your application. This can take the form of a term paper, book report, creative writing sample, etc.

Letter of Recommendation:

A letter of recommendation is required for acceptance to the camp. The letter should include information regarding your personality, your ability to work in a group, maturity, and so on. This letter should come from a teacher, scout leader, pastor, or another professional with whom you have had extended contact and can vouch for your qualifications; *letters cannot be written by parents or other family members.*

These letters should be sent directly from the recommender to:
