

Completer Outcome and Impact Measures

State and national accreditors require that all educator preparation programs publicly report eight outcome and impact measures. These measures will be reported beginning with 2018-19 completers as data become available.

1. Completer licensure rate

Completer licensure rate represents the percentage of completers who fulfilled all of the requirements for licensure in the state of Oklahoma.

2018-19 Completers	2019-2020 Completers	2020-2021 Completers	2021-2022 Completers	2022-2023 Completers
100%				

2. Completion rate

Completion rate represents the percentage of candidates who graduated from the Education program.

2018-19 Completers	2019-2020 Completers	2020-2021 Completers	2021-2022 Completers	2022-2023 Completers
89%				

3. Employment rate

Employment rate represents the percentage of completers who are employed within six months of graduation.

2018-19 Completers	2019-2020 Completers	2020-2021 Completers	2021-2022 Completers	2022-2023 Completers

4. Consumer information

University-wide data are available through the links below. Education program-specific data will be added to this webpage as information for the 2018-19 completers and subsequent years become available.

5. Completer impact on P-12 student learning

Completer impact on P-12 student is represented by the percentage of completers who participate in a case study and provide evidence of positively impacting P-12 student learning.

2018-19 Completers	2019-2020 Completers	2020-2021 Completers	2021-2022 Completers	2022-2023 Completers

6. Completer teaching effectiveness

Completer teaching effectiveness is measured by the Teacher and Leader Effectiveness instrument.

2018-19 Completers	2019-2020 Completers	2020-2021 Completers	2021-2022 Completers	2022-2023 Completers

7. Employer satisfaction and completer persistence

Employer satisfaction is measured by the First Year Teacher Mentor/Administrator Survey conducted by the Oklahoma Office of Educational Quality and Accountability.

2018-19 Completers	2019-2020 Completers	2020-2021 Completers	2021-2022 Completers	2022-2023 Completers

8. Completer satisfaction

Completer satisfaction is measured by the First Year Teacher Survey conducted by the Oklahoma Office of Educational Quality and Accountability.
